Project Title:	
Description of Project:	

As Supervisory Chair to the named student, my signature below serves as a commitment to fully supervise and grade the student's Final Examination for completion of MS Nonthesis requirements. I have met with this student to outline the expectations (time commitments and milestones) for successful completion of this Final Examination. I will provide periodic feedback to the student during the semester to ensure sufficient progress during this term and will serve to provide final certification of completion of examination.
