

## Request for Equipment and Services

Prior to completing this form, the event must be approved by the appropriate UF office. The Office of Student Activities and Involvement only permits and approves registered student organizations while the Office of the Vice President for Business Affairs permits and approves all other persons/groups for campus events. Please contact the appropriate office for event policies and procedures before continuing with Work Management support.

Please fill out this form and send it to [workorder@admin.ufl.edu](mailto:workorder@admin.ufl.edu). The deadline to submit the form is two weeks in advance of the event. If applicable, you will receive an estimate for all requested items. The estimate must be accepted and approved before the Work Order is issued. It is the customer's responsibility to contact Work Management and accept the estimate and provide funding information. **Work will be scheduled on a first come first serve basis once the estimate is approved and funding is established.**

Please contact us as early as possible prior to the event to ensure that we can assist you. Many campus events are scheduled around the same time. We will attempt to process forms after the deadline, but are unable to guarantee that we can provide the requested equipment and services.

For more information, see [www.facilitieservices.ufl.edu/get-help/event-services/](http://www.facilitieservices.ufl.edu/get-help/event-services/)
